Attention Perishable Importer:

Re: Food & Drug Administration

This letter is to advise you that all import shipments requiring F.D.A. release should be held intact at the port of arrival until such time as a written and/or electronic F.D.A. release is received on that particular shipment.

The penalty for failing to comply with this requirement may subject you to fines of upto three times the value of the imported merchandise and/or suspension of your importing privileges.

If you need any further clarification on this subject please feel free to contact us or you may contact F.D.A. via telephone at (305) 526-2800.

You can also link to F.D.A.'s web site by visiting our home page at:
