Melons from Central America keeping Perishable Specialist busy

By TAD THOMPSON

Ana Ramos, a partner in The Perishable Specialist Inc., a customs broker based in Doral, FL, indicated by e-mail Dec. 1 that her firm is "clearing melons out of Central America."

She said, "Customers have advised that they are currently loading melon containers for northeast destinations such as New York and Wilmington [DE]. We're in the middle of another great season."

Ana and Frank Ramos, owners of The Perishable Specialist.
